Deserts Columbus, and Will Gold-

brick Springfield Next. SPRINGFIELD, Ohio, July 24.—Manager Torreyson, of the Columbus base ball club, telephoned here to-day from Columbus, making arrangements for the transfer of his team to Springfield for the remainder of the season,

When Torreyson made the deal ex-changing Grand Rapids for Columbus it was freely predict 1 that Columbus wouldn't support his team, and that he would work into Springfield. Torrey-son should go into some other business or the Inter-state should throw him overboard.

## BASE BALL COMMENT.

The Wheeling team will been up lengthy series on the home grounds this afternoon, with the Daytons, and the fans expect the boys to take a brace on their own heath. The recent trip was a most disastrous one and the Stogies return after dropping from sixth place, the position held when they left Wheeling. The team is scheduled to play at home until August 3,7 and will strain every effort to retrieve the past defeats. Good rooting by the fans will spur them on, for nothing supports like

Wheeling didn't get a run or hit from Watkins, the Dayton's star twirler, yes-terday. Somehow Wheeling always has trouble with the Old Soldlers. The game at the I-land ball park this afternoon will open a s here with Dayton. a series of two games

Columbus comes here Thursday for three days. There will be a double-header on Saturday.

Poole or Wells will likely officiate on the slab for the Stogies this afternoon. Manager Howell's aggregation will make a desperate try to smother Day-ton.

There were four events on the programme, the 2:14 four events on the programme, the 2:14 trot, 2:16 pace, 2:27 pace, and 2:19 trot. Only two races were inished, one being postponed entirely and the other going over unfinished. The race of most interest was the 2:14 trot. To Fight in New York. OMAHA, Neb., July 24.—Jim Jeffries said that his fight with Tom Sharkey

will come off in New York. 'I don't care about these \$60,000 of-

fers," he said. "I want reputation and money and a fair chance. I've seen some places where I could get some of some places where I could get all of them in New York. Of course, being a westerner. I like the west, but when it comes right down to business, no other place is in it with New York. It is on the level and you always know that it does a thing

big.

"Besides, when you lick a man there, you lick him all over the earth. Every-body knows about it and there isn't any yamping and there isn't any suspicions. It's got to be on the level there and you get spot cash, and the whole of it, if you win."
